Thanks, Christie, I'll include this. Will Hennis be one of the parties EPA could seek funding from for the Bonita Peak Mining District site?  
Any updates on my CERCLIS questions?

Ethan,

Here is a copy of a letter to Rep. Tipton that hopefully answers the question about threatening Hennis.

Please let me know if you need anything more.

Hi Christie,

Does the EPA have a response to Gold King Mine owner Todd Hennis' claim that the EPA forced him to sign a Consent for Access to Property agreement and his fear of the EPA's "limitless legal budget"?

I'm writing this for immediate publication and expect to have the story to my editor before 2 pm.

Here's the link to the original article.

Also, any updates on my additional superfund questions?

Thanks,

Ethan
